Officers Disabled.

1.—(1) An officer who retires, relinquishes his commission, or reverts to the Reserve or Emergency List on account of medical unfitness certified as either attributable to or aggravated by naval or military service in consequence of the present war, and not being due to his serious negligence or misconduct, may be granted the retired pay shown in the First Schedule to these Regulations which corresponds to the degree of his disablement as certified.

(2) If the officer holds a permanent commission in the Royal Navy or Royal Marines, he may be allowed to retain or receive either (*a*) the retired pay or gratuity which has been awarded to him, or for which he is eligible in respect of his service, or, if he is not so eligible, the half pay which is proper to his rank and service, with an addition as in the last column of the First Schedule to these Regulations, or (*b*) the retired pay which would have been awarded under that schedule to an officer holding only a temporary commission according to the degree of his disablement, whichever is more favourable.

3) If a disabled officer is in receipt of a service pension as a seaman or marine and does not hold a permanent commission in the Royal Navy or Royal Marines, he may be granted either (a) that pension with addition for his disability as in the last column of the First Schedule to these Regulations, or (b) the retired pay for which he is eligible under that schedule according to the degree of disablement, whichever is more favourable.

(4) If a disabled officer is in receipt of wounds gratuity or pension, he shall only be eligible for retired pay at a rate equal to his half pay or officible therefor his retired pay for service, unless that half pay or retired pay and the wounds gratuity or pension together amount to less than the retired pay to which he would be entitled under these regulations. In that case an amount equal to the deficiency may be added to his retired pay.

5. An officer who has lost the sight of both eyes as the result of wounds received in action shall be granted not less than £3 0 a year in wounds pension and retired pay taken together.

6) Subject to sub-sections (3 and (4) of this Article, if a disabled officer is already in receipt of pension as a seaman or marine or retired pay as an officer or warrant officer, it shall be suspended so long as he is receiving a higher rate under these Regulations.

7. If an officer on or after general demobilisation, or after retirement, or relinquishing his commission, or transfer to or reversion to the Reserve or Emergency List, otherwise than for misconduct or at his own request, is certified to be disabled by wounds, injuries, or disease attributable to or aggravated by naval or military service in the present war, such disablement not having been caused or aggravated by his serious negligence or misconduct, he may be granted retired pay or gratuity as if he had retired as medically unfit for further service upon the date from which his claim is established.

1.—(1) In cases of pecuniary need the Minister of Pensions may at his discretion, grant to a disabled officer who is in receipt of retired pay under Article 1 of these Regulations an education allowance not exceeding £50 a year in respect of each child above the age of 9. The continuance of the allowance will depend on the continuance of the retired pay, and on the Minister of Pensions being satisfied as to the education of the child is receiving. It shall not be granted to an officer receiving alternative retired pay under Article 3.

2) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure a proper care of a child on behalf of whom an education allowance is payable, the allowance instead being paid to the parent may be administered under such conditions as the Minister of Pensions may determine.

2.—An officer who makes application and shows that the retired pay which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt, together with the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted temporarily or permanently in lieu of such retired pay, retired pay which, together with the wound gratuity or pension, and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings up to a maximum of £300 a year, plus half any pre-war earnings between £0 and £600 a year.

3.—(1) If an officer's disablement is not permanent, the grant of retired pay and allowances under the foregoing articles shall be temporary, and shall not be made permanent unless the permanency of the disablement is established.

2) When an officer's retired pay has been made permanent, it shall not be altered on account of any change in his earning capacity, whether resulting from training or other cause, neither shall it be subject to review except—

(a) When an officer who is retired pay is assessed under Article 1 of these Regulations claims that there has been a substantial increase in the extent of the disablement due to the original cause.

(b) When an officer, whose retired pay is assessed under Articles 1 and 2 of these Regulations, shows that it would be more advantageous to him to be assessed under Article 3.

Half the retired pay awarded under the preceding articles may be subject to the condition that the disabled officer shall undergo medical treatment in a sanatorium, hospital, convalescent home or otherwise, any period during which it is certified that such treatment is necessary in his interests.

An officer in receipt of retired pay under these Regulations may be granted in addition to that pay—

(a) the difference (if any) between that pay and retired pay at the rate for the highest degree of disablement for any period during which he is certified to require special medical treatment in a sanatorium, hospital, convalescent home, or other institution, a deduction of such an amount and under such conditions as the Minister of Pensions may determine being made from the officer's retired pay on account of the cost of his maintenance in the institution.

(b) actual necessary medical and other expenses incidental to treatment in respect of the disability for which he was retired up to such amount and subject to such conditions as the Minister of Pensions may determine.

(c) If disabled in the highest degree, an allowance not exceeding £18 a year in any case where the constant attendance of a second person is necessary.

An officer in receipt of retired pay under these Regulations may be granted in addition to that pay—

(a) the difference, if any, between the pay and retired pay at the rate for the highest degree of disablement for any period during which he is prevented from earning his living by undergoing training in a technical institution or otherwise which in the opinion of the Minister of Pensions would benefit him.

(b) an allowance to cover fees in respect of training up to such amount and subject to such conditions as the Minister may determine.

8. In any case where the degree of disablement is assessed at less than 20 per cent. or where it is considered by the Minister of Pensions more in the interests of the officer, a gratuity or temporary allowance may be granted in place of any retired pay under these Regulations. The grant will be subject to such conditions as the Minister may determine, and its amount will not exceed £600 and will depend on the degree of the disablement and other circumstances of the case.

9. An officer retired as medically unfit for service, such unfitness being neither attributable to nor aggravated by naval or military service, and not being due to the serious negligence or misconduct of the officer, may be granted a gratuity or temporary allowance. The grant will be subject to such conditions as the Minister of Pensions may determine. In exceptional circumstances it may amount to a sum not exceeding £800 and generally it will depend on the extent to which the officer is incapacitated and on the other circumstances of the case.

(3) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom an allowance is payable, the allowance, instead of being paid to the parent, may be administered under such conditions as the Minister of Pensions may determine.

3.—An officer of warrant rank who makes application and shows that the disability pension and the children's allowances which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt and the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted, temporarily or permanently, in lieu of such disability pension and children's allowances, a pension which, together with wound gratuity or pension and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings to a maximum of £200 a year, plus half any pre-war earnings between £200 and £400 a year.

Officers of the Royal Marines who, before being commissioned, were serving as Warrant Officers or Non-Commissioned Officers on ordinary peace attestations, and have been promoted to permanent combatant commissions subsequent to the 4th August 1914, or who may be promoted during the period of the War, will be permitted to retire, on the termination of Hostilities, with gratuities or retired pay, in accordance with the following scale:—

Position when Commissioned.	*Gratuity or Retired Pay.*
(*a*) With 9 to 15 years' service from the age of 18, service in the Ranks, or as Warrant Officer counting as full time.	Gratuity of £100 with an additional £100 for each year over 9.

Service will reckon from the age of 18. Service in the Ranks will count as half, and service as Warrant Officer will count as full time in reckoning the service above.

Retirement will be compulsory at the age of 55 as under present rules, or earlier in the case of the Officer being found unfit for further active service.

By Order in Council of 13th March, 1917, the above rates of Retired Pay are applicable to Warrant Officers and Non-Commissioned Officers who had been discharged to Pension prior to Hostilities, or who have since completed time for Pension and have been granted temporary Commissions.

(*Order in Council of 7th May*, 1918.)

Captains, Royal Marines, promoted under Orders in Council of 8th October, 1914, and 2nd December, 1915, who serve sufficiently long to be promoted in their turn to the rank of Major and are not selected for absorption in the Establishment of Majors, and consequently retire supernumerary, to receive on retirement the Retired Pay due to their service, as provided in Orders in Council of the 5th December, 1916, with an addition of £10 for each complete year served in the rank of Major, provided that their total Retired Pay shall not exceed £250 per annum.

Majors who are absorbed in the Establishment to be eligible, at the discretion of the Admiralty, for Retired Pay on Retirement for age or physical unfitness, or on Voluntary Retirement as follows :—

(*a*) £250 per annum, after 23 years' Service. Service to reckon from age of 18. Service in the ranks to count as half and service as Warrant Officer as full time.

(*b*) £300 per annum, after 7 years' service as Substantive Major in the Establishment.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, or Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

In the event of Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1913 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by any such Officer who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August, 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been found to be unworthy of further employment.

Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore in such cases as may be for their advantage may be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

All Commissioned Warrant Officers and Warrant Officers who have been dismissed from His Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or infirmity causes unfit for service as seamen in the Navy. In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1938 of the King's Regulations.

The Pensions of Commissioned Warrant Officers and Warrant Officers will be held only during good behaviour.

The case of a Chief or other Officer of Coast Guard Cruisers, who may sustain a wound or injury on duty will be specially considered

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3*a*. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*) may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(*g*) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (*a*) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 2. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4 Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 3.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 3.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively hold on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to remain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by the Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. *(This last was abolished in May, 1853.)*

1856.

That the List of Captains on the Reserved List established by Order in Council of 20th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 16th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half-pay, according to their length of Sea Service, on the scale herein-after mentioned.

Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereon after mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 without further addition to their Retired pay.

The following are the descriptions of the *Uniform to be worn by the Officers of the Royal Navy:—

EXTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. I.—GENERAL REGULATIONS.

4. The Officers, Men, and Boys of His Majesty's Fleet and the Royal Marines shall wear such uniforms as the Admiralty in pursuance of His Majesty's pleasure shall from time to time direct. *See* 154 *et seq.* (*Uniform Regulations*).

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XVI.—Uniform.

154. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2. At Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying. Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Balls.

3. Officers are not to wear Naval Uniform at Fancy Dress Balls. They are not prohibited, however, from appearing at such Entertainments in uniforms of a date anterior to 1843.

Plain Clothes.

4. Permission may be given to Officers to wear plain clothes on ordinary leave.

Foreign Ports.

6. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they have no right to expect to be recognised as British Officers.

7. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists.

156. Officers on the Retired and Reserved Lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony

§ XIX.—Manner of Wearing Decorations, Orders, and Medals.

Knights Grand Cross and Knights Grand Commanders.

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress; with the former the Ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn, except that with mess dress, miniature Badges but not Stars may be worn in lieu, and with mess undress, miniature Ribbons.

Knights Commanders and Commanders.

4. The insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, St. Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside and inch below the front of the collar or the tie.

If the insignia of more than one Order is worn, the senior ribbon and badge is worn as described above. With ball dress the other Badges are worn in miniature; with full dress and white undress they are worn one below the other, each suspended on three inches of ribbon† emerging from between the buttons of the uniform coat, commencing with the undress one inch below the senior badge, and with full dress between the first and second buttons on the right side of the coat.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With the frock coat the Star only may be worn by Knights Commanders at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

The above order of Decorations applies to those of similar grades. When the miniature of a higher grade of a junior Order is worn with the miniature of a lower grade of a senior Order the higher grade miniature should come first, *e.g.*, the miniature of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Orders.—In order of date.

c. Foreign Decorations.—In order of date.

d. Foreign Medals.—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit.

The ribbon of a decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Bar, Full Dress.

11. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Bar, Ball Dress.

12. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Medals awarded by Societies.

13. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

14. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

When ribbons, either full sized or miniature, are required to be sewn on the uniform, the same order of arrangement is to be followed as that laid down in clause 10, for Decorations, Orders and Medals. They are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate the ribbons in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed immediately under each other with an interval of ⅛ inch intervening between each row.

Ribbons of Orders and Medals, to wear which private permission has been given, are not to be sewn on the coat.

17. With white undress, Decorations and Medals or ribbons of Decorations and Medals are to be worn as prescribed for the dress in connection with which white undress is being worn. The ribbon of Knights Grand Cross and Knights Grand Commanders should be worn over the shoulder strap.

When worn with white uniform, the badges of Decorations and Medals are to be placed on a removable bar.

Miniature Decorations, Badges and Medals.

18. Miniature Decorations, Badges of Orders and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

UNIFORM FOR THE ROYAL NAVAL RESERVE.

The Uniform of Officers of the Royal Naval Reserve is the same as that of Officers of corresponding rank of the Royal Navy with the following exceptions:—

1. Instead of each distinctive stripe of gold lace round the sleeves of the coat there is a stripe formed of two waved lines of gold lace, each of one-half the width of that prescribed for Officers of the Royal Navy, one line superimposed upon the other so that one-eighth inch of blue cloth shows between the curves. (The half stripe, however, is a single straight line of one-eighth inch gold lace.)

2. The coloured cloth denoting Branches does not entirely fill the space between the bands of lace, but consists in a narrow stripe similar to that in the Naval uniform.

3. The buttons have the letters "R.N.R." in Old English characters across the anchor.

4. The anchor on the epaulette is replaced by a badge consisting in a silver or gold anchor (according to Branch) surrounded by the words "Royal Naval Reserve" embroidered in gold.

5. The device on the cockade of the cocked hat is of gold cord.

6. Cap Badge.—The foul anchor on a blue cloth ground is replaced by a silver or gold anchor (according to Branch) surmounted by the letters R.N.R. in gold, on a medallion of black velvet encircled by an edging of gold lace.

7. The letters R.N.R. are embossed over the foul anchor on the guard of the sword and across the anchor on the sword belt.

8. The white turnback and buttonhole of white twist for Midshipmen is replaced by a buttonhole of blue twist.

9. Midshipmen, when appointed for short periods or when under training, are not required to wear a sword or dirk, but may wear a sword.

NOTE.—The distinction lace may be mounted on a strip of blue cloth before being attached to the coat; in that case, the edges of the cloth strip should be so cut as to follow the lines of the gold lace at a distance not exceeding one-eighth of an inch.

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £70. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Staff Surgeon, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. The interest of this sum is employed annually in providing a prize consisting of books, scientific instruments, etc., which is conferred on the Lieutenant R.N., qualifying for Engineering duty, who takes the first place at the Examination in Practical Engineering held on the completion of his original course of specialising in Engineering.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1888, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley.

Each Scholarship is tenable for two years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £97 10s.

The first Scholarship was awarded in 1914.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGES AT OSBORNE AND DARTMOUTH, AND ON BOARD THE TRAINING CRUISERS.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding - - - 1st December.
Do. do. May do. - 1st April.
Do. do. September do. - 1st August.

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May and 15th September following, respectively, *e.g.*,

Candidates born on or between—	Eligible for Examination in—	Eligible for entry in—
1st April (1905) and 31st July (1905) - -	Dec. (1918)	Jan. (1919)
1st Aug. (1905) and 30th Nov. (1905) - -	Mar. (1919)	May (1919)
1st Dec. (1905) and 31st Mar. (1906) - -	July (1919)	Sept. (1919)

6. All Candidates (except those being educated in the Colonies, who have received special Colonial recommendations under para. 10), will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January entry before 1st October
Do. May do. do 1st January.
Do. September do. do. 1st May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

7. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

8. †The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates).

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub-multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra. The meaning of algebraic symbols, substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4.) Geometry. The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—E, 14—19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines, or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of fees at Osborne and Dartmouth.

(3) The remission of private allowance and tuition allowance during his period of service until he has completed his examinations for the rank of Lieutenant.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees, private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Educational Allowance authorised by the Order in Council of the 2nd February, 1910.

11. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of rather less than four years. This period will include eleven terms, of which five terms will be at Osborne and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the Colleges:—

At Osborne.

16th January to 8th April,
8th May to 30th July,
15th September to 17th December.

At Dartmouth.

16th January to 15th April,
8th May to 5th August,
16th September to 17th December.

The vacations at the Colleges are as follows:—

At Osborne.

Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.

Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £12 7s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 20 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

* *Parents abroad will, however, be furnished with forms of application, prior to the selection if they so desire.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 1s. 9d. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £20 a year for so long as he remains an Acting Sub Lieutenant with pay at the rate of 3s. 6d. a day.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

Digitized by Google

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents o Guardians, who are also kept informed of the progres of the patient should the illness be in the slighte degree serious.

27. Letters relative to the Cadets should b addressed to:—"*The Commanding Officer*, Royal Naval College," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.

Physics and Chemistry.

Mechanics, and applied Mechanics with labora tory work.

Applied Electricity, with laboratory work.

Engineering, with workshop practice and Mechanical Drawing.

Seamanship, with Gunnery in the Training Cruiser.

Navigation.

French or German.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or

(2) Their conduct is unsatisfactory, or

(3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE.

1. The number of Naval Cadetships offered for competition under the following regulations will be notified in the Press from time to time.

2. At the examination in February, 1919, Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of December, 1918. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W. 1, not later than the 1st December, 1918. A form of Application to be filled in by the Parent or Guardian of the Candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in July by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission Burlington Gardens, W.1.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Education Allowance authorised by the Order in Council of the 29th February, 1916.

9. Under present arrangements successful candidates will be appointed as Cadets to the Royal Naval College, Keyham, to take a course in Navigation and Seamanship lasting from 4 to 6 months. On completing this course and passing out satisfactorily they will join the Fleet as Midshipmen.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

10. These Cadets will become Midshipmen later in age than those who enter through Osborne, but their dates of promotion will be adjusted so that except for the effect of the accelerated promotion which they may obtain by doing well in their final examination, their age on attaining the rank of Lieutenant will be about a year more than in the case of an Officer entered through Osborne.

11. This difference of age will be no bar whatever to advancement to the highest rank, and may quite disappear on promotion to Commander or Captain, promotion to these ranks being made by selection on merit.

As regards being selected for promotion, an Officer who has entered as a Special Entry Cadet will be treated on his merits in exactly the same way as an Officer who has entered through Osborne.

12. The same subsequent career will be open to Officers who have entered the Navy by the Special Entry method as to Officers who have entered through Osborne. After reaching commissioned rank they may volunteer for service in any one of the special branches, *i.e.*, either the Navigation, Gunnery, Torpedo, Engineering, Submarine, or Signal branch.

13. Parents or Guardians are required to make a private allowance at the rate of £60 per annum to Cadets while at Keyham College (for a period of 4 to 6 months under present arrangements). The private allowance at the rate of £50 a year while a Midshipman, and at the rate of £20 a year while an Acting Sub-Lieutenant, has, for the period of the war, been abolished.

14. Cadets will be paid 1*s.* a day from the time of entry until they become Midshipmen, when their pay will, for the period of the war, become 5*s.* a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 7*s. 6d.* a day. The commencing pay of a Lieutenant, which rank is reached after at the most two years as Sub-Lieutenant, is 12*s* a day.

NOTE.—*Candidates who have served with His Majesty's Naval or Military Forces during the war will be allowed a deduction from actual age in respect of such service. To secure this concession candidates must furnish an official certificate as to the period of their service*

15. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit, including a sextant, costs about £75. Additional uniform required when leaving Keyham for sea is estimated to cost about £20.

16. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

17. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Royal Naval College, Keyham.

18. A Cadet may be required to be withdrawn at any time, if in the opinion of the Lords Commissioners of the Admiralty:—

(1) he fails to reach a satisfactory standard, or
(2) his conduct is unsatisfactory, or
(3) he is considered unsuitable for the Naval Service.

By command of Their Lordships,

O. MURRAY.

The question papers except in elementary engineering will be the same as those taken in corresponding subjects in the military entrance examinations, particulars of which can be obtained from the Civil Service Commissioners, Burlington Gardens, W.

The paper on elementary engineering will comprise questions in the subjects of the following syllabus. The questions will be of a very elementary character, and knowledge of workshop practice will not be required.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for Intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic diseases, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, lachrymals, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadet-ships at the Royal Naval College, Osborne, must possess full normal vision, viz., 6/6, and be able to read D 6/6 as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify for Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D 6/6 of Snellen's test types. Candidates for Special Entry Cadet-ships must possess full normal vision in one eye, viz.: 6/6; and not less than 6/12, without glasses, in the other: the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/6 in one eye, and 6/12 in the other, except that Officers may be allowed to remain in the Service for Engine Room duties only, if they elect to specialize, so long as their eyesight is not below 6/9 in one eye, and 6/12 in the other.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate, or tonsils, many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

* Candidates who wish to offer a modern language other than French or German must obtain the written consent of the Admiralty at the time of their selection by the Interview Committee.

REGULATIONS FOR TEMPORARY APPOINTMENT OF NAVAL INSTRUCTORS FOR SERVICE IN H.M. FLEET.

Admiralty, May, 1915.

In view of special conditions which have arisen in consequence of the war, the Admiralty have decided to enter a number of Naval Instructors for temporary service.

In general it is anticipated that such service will not extend beyond four years; but it is probable that some of the officers who enter for temporary service may have the opportunity, should they desire it, of remaining on a permanent footing.

The chief duty of the Naval Instructor is the instruction of the pupils placed under him, but when afloat, in addition to his instructional duties, he may be detailed by the Commanding Officer for any of the undermentioned duties, or any other suitable duty of a similar nature as may be considered best in the interest of the Service:—

(1) Assistant to the Navigating Officer, at Action Stations.
(2) Work in the Fire Control Department.
(3) Care of confidential books.
(4) Coding duties.

Candidates must have had an academical training and be proficient in mathematics. A knowledge of mechanical or physical science is desirable.

Those who are selected will be appointed to the Royal Naval College, Greenwich, for a course of instruction in Navigation and Nautical Astronomy, lasting not more than six months. During this probationary period they will rank as Acting Temporary Naval Instructors, and will be entitled to wear uniform. On qualifying in the subjects of the course they will receive Commissions as Temporary Naval Instructors, the Commission being dated back to the date of entry. Any officers who fail to qualify within 6 months will be discharged.

The pay from the date of entry will be at the rate of 12s. a day.*

In addition to this, each Naval Instructor entered for tempory service will be entitled, when qualified and appointed to a ship, to receive a "tuition" allowance at the rate of £5 per annum for each Junior Officer under his instruction.

He will also receive a messing allowance of 2s. a day for the period of the war.

On discharge (except for misconduct or incompetence) he will receive a gratuity as follows:

After two years' service on full pay as a Temporary Naval Instructor ..	£200
After 3 ,, ,, ,, ,, ..	300
,, 4 ,, ,, ,, ,, ..	400

Time as Acting Temporary Naval Instructor, while undergoing the preliminary course of instruction, will not count for this purpose.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

*During prolonged sickness or extra leave half pay of 6s. a day will be allowed.

Digitized by Google

2. He must declare:—

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son of natural born British subjects.

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held, any commission or appointment in the public services.

(6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon will be examined, and, after he has passed, will be given a commission as Surgeon in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeons' Course," and will be required to obtain qualifying marks. Surgeons entered without competition will take seniority next after the last surgeon entered at the same time by competition.*

15. Surgeons on entry are required to provide themselves with a regulation pocket case of instruments.

15*a*. Acting Surgeons under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. On receiving commission as Surgeons they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

(*a*) Medicine, including medical pathology and therapeutics.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

* See Clause 7 of the Regulations for Entry.

(b) Surgery, including surgical pathology and Clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

Medicine.		Surgery.	
Paper - -	400	Paper -	400
Clinical - -	400	Clinical -	400
Oral - - -	400	Oral -	400
	1,200		1,200

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are given in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

Post-graduate Instruction, and Examination for the Rank of Staff Surgeon.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

(i) A five months' course prior to advancement to Staff Surgeon;

(ii) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (i), which is compulsory for all Surgeons, will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Staff Surgeon. The course is to be taken when a Surgeon has between 4½ and 6½ years' seniority, and as near the date when the latter period is completed as the exigencies of the service will permit. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

(a) Clinical Medicine and clinical Surgery.
(b) Operative Surgery.
(c) Anæsthetics (practical).
(d) Ophthalmology.
(e) Clinical pathology.
(f) Hygiene.

Optional:—

(g) Throat, Nose, and Ear Diseases.
(h) Skiagraphy.

A Surgeon who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful, he will be compulsorily retired on attaining eight years' seniority, with such gratuity as the Admiralty may see fit to grant, but not exceeding £*.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeons going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their Instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

The course (ii) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed to withdraw from the Service after 4 year's full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—*see below*.

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

(i) He will be granted a gratuity of £500 on passing into the Reserve.

(ii) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.

(iii) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 8 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years served under the conditions referred to in (iii), by renouncing his retaining fee for his last 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 17s. a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £20.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

Widows of Officers of the Royal Navy, and the
al Marines, may be allowed Pensions, and their
ildren Compassionate Allowances, at the ra'es
cified in the attached table, and subject to the
owing regulations:

All applications for Pensions, and for Compas-
ate Allowances, must be addressed to the Secre-
y of the Admiralty for the decision of the Board.

The Pensions of all Widows shall commence from
day following that on which their husbands died,
vided application be made by the Widow within
elve Months from the same, otherwise from the
e only of such application.

His Majesty's Orders in Council increasing rates
Pension, or Compassionate Allowances, are not
respective in their operation, and only affect the
lims of such officers as may be on the Active List
ediate of such Orders in Council, or subsequently
reto.

If the claim of a Widow to Pension shall not be
blished *before her death*, the amount of pension
hich she would have been entitled if living shall
be allowed to her representatives.

The Pensions authorised by these Regulations
not be claimed as a *Right*;—they are granted as
rds for good and faithful service rendered by de-
ed Officers;—they will only be conferred on per-
deserving the Public Bounty;—the *ordinary*
sion will not be granted to Widows whose private
mes may exceed the confidential scale which may
time to time be fixed by the Admiralty as the
for each Rank of Officer,—and the Pensions are
e to be discontinued altogether, in case of any
onduct rendering the individuals receiving them
orthy of the Public Bounty.

e Widows of Naval Officers placed on permanent
Pay or on the Retired or Pension List, on or
the 2nd August, 1869, on account of misconduct,
having completed not less than 20 years count-
owards retirement or pension, may at the dis-
on of the Admiralty be granted pensions, pro-
l that a deduction of not less than 10 per cent.
have been made from the Retired Pay or Pen-
s to which, but for their misconduct, the-e
ers would have been entitled. In such cases the
ow's Pension will be reduced by half the percen-
by which the husband's Retired Pay or Pension
een reduced.

dows of retired Officers, or others formerly in the
d Navy, having been allowed to resign their Com-
ions, who have been called out or have volun-
d for service in case of war or emergency and
lost their lives from causes attributable to the
ice, may be allowed pensions, and their Children
passionate Allowances on the special scale ap-
ble to the rank held by the Officer at the time of
eath, notwithstanding that he may have married
t on the Retired List or after resignation of
ommission, and subject to the provisions of the
mutation Acts of 1871 and 1882.

A Widow shall not be eligible to be placed on the
ion List under any of the following circum-
ces:—

f her husband married after the age of 60 years,
of Commissioned Warrant Officers, and Warrant
ers pensioned before 1st October, 1875, in whose
the limit of age is 50.

If her husband, being capable of service, had, at
an solicitation, been excused from serving, when
l upon, provided that he was officially warned
his Widow would thereby forfeit the Pension.

If her husband had been guilty of any fraudu-
misapplication of the public money.

If her husband had been guilty of Bigamy; or if
had been living at the time of her husband's
in a disreputable state of separation.

f her husband died in the service of a Foreign
unless serving with the permission of the
alty.

If she had not been married Twelve Months to
ficer by whose right she claims the Pension,
s the said Officer was killed or drowned in an
diate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(*a*) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(*b*) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

The Widow of a Mate, Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given, or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*

(*a*) *Officers retired before 29 June*, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(*b*) *Officers retired after 29 June*, 1882.

The Widows of Marine Officers retired after 29 June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.* Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz.:—

I. To a Widow, a Gratuity equal to a year's Full Pay of the rank which her husband held at the time of his death.

II. To each Orphan (who shall not be married or be above the prescribed limit of age), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily Infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

30. Widows, Children, and other relatives of Officers who may have been granted temporary Commissions, or have held acting appointments, together with relatives of Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve, to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy.

CASES ARISING OUT OF THE PRESENT WAR.

REGULATIONS UNDER ORDER IN COUNCIL OF 29TH FEBRUARY, 1916.

1. The following revised *regulations* apply to all cases arising out of the present war. The revised *rates* of pensions and compassionate allowance referred to in paragraphs 3, 6, 7, and 10 have effect, however, from the 1st March, 1916, only, unless otherwise indicated.

The general conditions of award previously laid down remain unchanged except where a contrary intention is definitely expressed.

2. In cases arising out of the present war, including those of Marine Officers employed on board H.M. Ships, the classification governing the award of the different Scales of Pensions and Allowances is as follows, in substitution for that shown on page 893:—

CLASS A.—Officers killed in action, or dying from wounds received in action, whether afloat or ashore, or whose deaths result from destruction of ship, or who suffer death by drowning or other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to exposure or exertion on service, or from injuries received in and by service, so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury, or accident, not coming under Classes A or B.

2A. In the case of Marine Officers on shore strength the classification is as for the Army, *i.e.*, as follows:—

CLASS A.—Officers killed in action, or dying from wounds received in action, or from other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to active operations in the field, or otherwise directly attributable to military service, or from injuries received in and by service so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury or accident not coming under Classes A or B.

3. The rates of Pension for Widows of Lieutenants and Sub-Lieutenants in the Royal Navy, and other Officers of corresponding rank in the Royal Navy and Royal Marines are raised to the following amounts:—

Class A	.. ..	£100 a year
Class B	.. ..	£75 a year
Class C	.. ..	£50 a year

4. The additional Gratuity payable in Class A cases will continue to be paid at the existing rates.

5. In the cases of Officers coming under Class C, who die during the present war without completing the minimum period of service necessary to qualify their Widows for the award of Pensions, Gratuities of not less than one year's, and not more than three years', pay will be awarded at the discretion of the Admiralty, and will be paid in each case, either in a lump sum, or in instalments, as the Admiralty may consider desirable.

6. The rates of Compassionate Allowances for the Children of Commissioned Officers of all Ranks up to and including that of Captain in the Royal Navy, or similar relative rank, are as follows:—

Class A	.. .. ..	£24 a year
Class B	.. .. ..	£20 a year
Class C	.. .. ..	£16 a year

7. The rates for the Children of Flag Officers and Officers of similar relative rank are as follows:—

Class A	.. .. ..	£30 a year
Class B	.. .. ..	£25 a year
Class C	.. .. ..	£20 a year

8. In cases of pecuniary need, Educational Allowances of £35 a year for boys, and £25 a year for girls, will be awarded, at the discretion of the Admiralty, to the Children of Commissioned Officers who die during the war, or are disabled through War Service, these allowances to be payable ordinarily between the ages of 13 and 18, but to be extended, if thought desirable, until the age of 21, on the recommendation of a competent Education Authority, where the education is being continued at Secondary Schools, Technical Schools, or the Universities.

9. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless children is abolished, subject to the proviso that the Guardian of any child, who considers the provisions of existing Regulations more beneficial to such child, may, at the time the award is made, elect that the child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

10. The following revised Regulations, provided they be more beneficial than existing Regulations, apply in cases arising out of the present war for the award of Pensions and Allowances to the Widows and Children of Commissioned Warrant Officers and Warrant Officers:—

(*a*) Killed in the performance of naval or military duty.

(*b*) Dying of wounds or injuries received in the performance of such duty, within 7 years after the receipt of the wound or injury.

(*c*) Dying of disease medically certified to have been contracted, or to have developed, while on active service, within 7 years of their removal from duty on account of such disease.

Widow's Pension to be £50 a year in the case of Commissioned Warrant Officers, and £45 a year in the case of Warrant Officers.

Compassionate Allowances on a scale of £8 to £16 to be awarded to the children of Commissioned Warrant Officers and Warrant Officers, and the Admiralty to have discretion to continue the allowance beyond the age of 18 in the case of boys on production of satisfactory evidence that the continuance of the allowance is needed for the purpose of enabling the boy to complete his education.

In cases where separation allowance is being paid, the above Pensions and Compassionate Allowances are payable only from the date of cessation of such separation allowance.

10A. The Widows, children and other dependants of Officers of H.M. Coast Guard are eligible for awards on the same scale and under the same conditions as apply to the dependants of Officers of corresponding rank in the Royal Navy. Coast Guard Officers, promoted on retirement to the rank of Honorary Lieutenant and called up for service in the present war, will for this purpose rank as Commissioned Warrant Officers.

11. The present provision that the aggregate amount of the allowances to the family of any Officer shall not exceed:—

(*a*) In ordinary cases, the amount of the half-pay of his rank and seniority at the time of his death, and,

(*b*) In cases where the Officer's death is attributable to the Service, the sum of £100 more than he amount of the half-pay of his rank and seniority at the time of his death,

to be waived, as also the provision that persons who are in receipt of £30 a year from other sources, whose mothers have been refused Pensions on account of private income, shall be considered ineligible for Compassionate Allowances in ordinary circumstances.

12. On the death of an Officer who leaves no widow or legitimate child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the Admiralty has power to grant allowances as under:—

MOTHER.

The Mother may be granted an annual allowance provided that:—

(a) The Mother is a widow, or her husband is totally incapacitated by age or infirmity, or he had permanently deserted her and ceased to support her.

(b) She was largely dependent for support upon the deceased Officer; and

(c) She is in distressed circumstances, and is not in receipt of Pension as an Officer's Widow or of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the Mother's pecuniary circumstances. It shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer. It shall cease in the event of the recipient remarrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

FATHER.

The Father may, subject to the same conditions as far as they are applicable, receive an allowance similar to that granted to a Mother, provided he is a Widower and totally incapacitated by age or infirmity.

SISTERS.

The Sister or Sisters jointly may be granted an allowance provided that:—

(a) The Officer did not leave a Mother.

(b) The Sister or Sisters be an orphan or orphans unmarried.

(c) They were largely dependent on the deceased Officer.

(d) The surviving Brothers, if any, are unable through youth, or bodily or mental infirmity, to give them support.

(e) They are in distressed circumstances, and are not in receipt of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations.

REVISED REGULATIONS UNDER ORDER IN COUNCIL OF 29th SEPTEMBER, 1917.

Extract from Orders in Council with effect from 1st April, 1917:—

* * * * *

WIDOWS AND OTHER RELATIVES OF OFFICERS DECEASED.

10. Pensions and gratuities to the widows, children, and relatives of deceased officers, for which provision is made in the following articles, shall not be claimed as a right, but shall be given as a reward of the officer's services, and no pension or gratuity shall be granted or continued to a widow or relative who, in the opinion of the Minister of Pensions, is unworthy of the public bounty, and it shall be in the power of the Minister of Pensions to terminate or suspend any pension that may have been granted to such persons or to provide for its administration under such conditions as he may determine, and his decision shall in any case be final.

11.—(1) The widow of an officer, including an officer of the Royal Marines employed on board His Majesty's Ships, may be granted a pension as in the second column of the second Schedule to these Regulations if the officer (*a*) is killed in action, whether afloat or ashore, or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or is drowned while on duty, or whose death results from destruction of ship, or who dies within seven years from wounds or injuries so received, or (*b*) dies from disease certified as caused by extraordinary exposure or exertion on service within seven years after having been first removed from duty on account of such disease, or (*c*) dies in consequence of injuries received in the performance of duty otherwise than under (*a*) within seven years after having been so injured.

(2) The widow of an officer of the Royal Marines on shore strength may be granted a pension as in the second column of the Second Schedule to these Regulations if the officer (*a*) is killed in action or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or dies within seven years from wounds or injuries so received, or (*b*) dies from illness which is certified as directly traceable to fatigue, privation, or exposure incident to active operations in the field within seven years after having been first removed from duty on account of such illness, or (*c*) dies in consequence of injuries received in the performance of military duty otherwise than under (*a*) within seven years after having been so injured.

(3) The widow of an officer, including an officer of the Royal Marines, may be granted a pension as in the third column of the Second Schedule if the officer (*a*) dies of disease attributable to or aggravated by naval or military service other than as under sub-sections 1 (*b*) or (2) (*b*) within seven years after having been first removed from duty on account of such disease, or (*b*) dies of injuries attributable to naval or military service other than under sub-sections (1) (*c*) or (2) (*c*) or (*c*) of this article, and not through his own serious negligence or misconduct, within seven years after having been first removed from duty on account of such injuries.

(4) The widow of an officer who dies in the circumstances referred to in subsection (1) (*a*) or (2) (*a*) of this article may be granted a gratuity in addition to pension as in the fourth column of the Second Schedule to these Regulations; provided that, where it would be more favourable to her, the amount of the gratuity shall be equal to a year's full pay of the rank which the officer held on the 31st March, 1917, and for this purpose Officer's Command Money and other full-pay allowances, except Table Money and [illegible] Allowance, shall be included

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (*i.e.*, to Seamen, Marines, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by selection from among the oldest and most necessitous candidates.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 5*d.* a day, will be eligible for the additional 4*d.* a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given at the discretion of, and under Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, the other circumstances of his case, and the amount of the funds available.

They are tenable in addition to Naval and Age Pensions, subject, however, to the limits expressed in the following List:—

Class I. Naval Pensioners with Life Pensions—

If unable to maintain themselves	Pension (including Age as well as Naval Pension) made up to from 1*s.* to 1*s.* 6*d.* a day.

Classes III. and IV. Men who have *not less than 5 years'* service counting towards pension, and who have been discharged or invalided on account of disease or wounds and whose disability is clearly the result of such disease or wounds.

Men who have been discharged or invalided on account of disease or wounds *clearly attributable* to the service, and whose present disability is clearly the result of such disease or wounds—

	If in receipt of Temporary Pensions.	If not in receipt of Naval Pensions.
When unable to maintain themselves. ..	Pension made up to from 1*s.* to 1*s.* 3*d.* a day	Pension awarded from 9*d.* to 1*s.* a day.

Class V. Special cases, including—

Men who have been granted a war medal or clasp, or who were employed in the Franklin Search Expedition; or who were injured on duty.

If unable to maintain themselves	Pension awarded from 1*s.* to 1*s.* 3*d.* a day.
If able to contribute in a small degree to their own support ..	Pension awarded of 6*d.* to 9*d.* a day.

In cases of exceptional need or distress special Pensions in excess of the above rates may be granted within a maximum of 2*s.* 6*d.* a day.

Men discharged for venereal complaints, unless they are life pensioners, or, whose general character has been inferior to "good," or who were discharged in good health with less than 12 years' service, or who they come under Class V., are ineligible for Special Pensions, as are men in workhouses.

Men eligible for the benefits of Greenwich Hospital may be admitted to Hospitals if in urgent need of temporary treatment.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s. a day.

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Assistant Paymasters, R.N.R., at the discretion of the Admiralty.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

ORDERS.

1. It is the King's wish that no subject of His Majesty in the Service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:—

(a) By Warrant under the Royal Sign-Manual, or—

(b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

In the case of decorations awarded in recognition of services under the Red Cross, permission will only be granted where such services have been rendered in a war in which the Empire has itself been engaged, and by persons serving under one of the officially recognised British voluntary aid societies or under similar societies of Allied States duly recognised by the Governments of those States.

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Private permission will generally be given in the following cases:—

For a Decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

(*Note.*—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.

(2) On Members of Deputations of British Regiments to Foreign Heads of States;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such Members of his Staff who actually attend the ceremonies in their official capacity;

(4) On Naval and Military Attachés only after completion of five years' service at the post to which they are appointed in that capacity.

5. Private or restricted permission will *not* be given to—

(1) British Ambassadors or Ministers abroad when leaving;

(2) Members of British Missions announcing the Accession of a Sovereign;

(3) British Officers attending Foreign Manœuvres.

(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British Subject in the Service of the Crown the Insignia of an Order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of Ten Shillings.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

Digitized by Google

Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a Higher Class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

MEDALS.

10. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

11. The King's unrestricted permission to accept and wear a Foreign Medal will only be given in the case of a Foreign Medal conferred by the Head or Government of a Foreign State for saving or attempting to save life at sea or on land. In the case of Medals for Red Cross services, permission will only be granted subject to the fulfilment of the conditions laid down in para. 3.

12. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's licence, and (2) Military or Naval Attachés or other officers officially attached to Foreign Armies or Navies during hostilities.

13. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

14. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

15. Ladies are subject to the Regulations in all respects in the same manner as men.

Foreign Office, March 10, 1914.

FOREIGN DECORATIONS.

SPECIAL WAR REGULATIONS REGARDING THE WEARING OF DECORATIONS OF THE ALLIED STATES BY OFFICERS OF HIS MAJESTY'S NAVAL AND MILITARY FORCES.

The King has granted unrestricted permission for the wearing of decorations conferred by the Heads of Allied States upon British Naval and Military officers in recognition of services in the active prosecution of the war, wherever such services may have been performed. The names of officers so decorated are from time to time notified in the "London Gazette" by the Admiralty or the War Office, with a statement as to the precise decoration conferred and an announcement that the officer concerned has received His Majesty's permission to wear it. No other formality is required to give effect to the King's pleasure in such cases, the issue of warrants under the Royal Sign Manual as prescribed by the Foreign Order Regulations in ordinary cases being dispensed with.

(The foregoing does not apply to officers on the retired list serving under Red Cross and kindred organisations. Permission for the wearing of decorations conferred upon such officers is only granted if the requirements of the Foreign Order Regulations specially applicable to their case are duly fulfilled.)

Officers who at any time, whether before or during the war, have received private permission to wear a decoration of any Allied State in circumstances which did not permit of the grant of unrestricted permission under the Foreign Order Regulations or the decision of His Majesty referred to above, are nevertheless permitted to wear such decorations without restriction during the period of the war.

Foreign Office, November, 1917.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, Institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and we graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Digitized by Google

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of any Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a detached and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore or Officer under the Forces employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four to such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve unto this most honourable distinction, It is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

*Under Her late Majesty's Order in Council of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign

By Her Majesty's Command,

HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

GEORGE R.I.

WHEREAS Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 23rd day of April, 1883, did institute, constitute and create a Decoration designated "The Royal Red Cross" to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy and did make, ordain and establish certain rules and ordinances for the government of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, and the 8th day of September, 1909:

AND WHEREAS it is Our Royal Will and Pleasure that further provision shall be made for the recognition of such special services rendered in nursing the sick and wounded of Our Army and Navy:

NOW THEREFORE WE do hereby declare that the rules and ordinances heretofore in force for the government of the said decoration shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—The Decoration shall be styled and designated "The Royal Red Cross," and shall be divided into two Classes.

The First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words Faith, Hope, Charity, with the date of the Institution of the Decoration; the centre having thereon in relief the Royal and Imperial Effigy. On the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

The Second Class shall consist of a Cross which shall be of the same form and size as in the First Class, but shall be of frosted silver and shall have superimposed thereon a Maltese Cross enamelled red not exceeding half its dimensions, the centre having thereon in relief the Royal and Imperial Effigy. The reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity and the date of institution of the original Decoration, and shall bear in the centre in relief the Royal and Imperial Cipher and Crown.

Secondly.—The Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of this Decoration upon any members of the Nursing Services without restriction as to rank, or upon other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War or by the First Lord of the Admiralty, as the case may be, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in our Naval and Military Hospitals.

Fifthly.—The number of awards in the First Class of the Decoration shall not exceed two per cent. of the total establishment of Nurses, and the number of awards in the Second Class of the Decoration shall not exceed five per cent. of the total establishment of Nurses, the allotments to be proportionate to the numbers of each Nursing Service; provided nevertheless that it shall be competent for us, Our Heirs and Successors, to make such additions as, under exceptional circumstances, We may deem fitting.

Sixthly.—Recipients of the Second Class of the Decoration shall be eligible for advancement to the First Class as vacancies may arise.

Seventhly.—Recipients of the First Class of the Decoration shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names. Recipients of the Second Class of the Decoration shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

Eighthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of the Decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War as having voluntarily undertaken the duties of establishing, conducting or assisting in hospitals for the treatment of sick and wounded soldiers and sailors of Our Army and Navy, or of Our Indian Military Forces or of the Naval and Military Forces of Our Self-governing Dominions beyond the Seas, or as having performed valuable services with the Red Cross or kindred societies at home or abroad, or as having otherwise rendered eminent services in the care of sick and wounded soldiers and sailors of Our Army and Navy; and it is hereby ordained that all persons appointed under this Clause shall be regarded as Honorary Members or Associates, and their appointments shall be additional to the establishment ordained in the Fifth Clause of this Our Royal Warrant.

Ninthly.—The names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Tenthly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Royal Sign Manual, from the register of those upon whom the said Decoration shall have been conferred. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successor to restore the name if such restoration should be justified by the circumstances of the case.

Lastly.—We reserve to Ourself, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Given at Our Court at St. James's, this Tenth day of November, 1915, in the Sixth year of Our Reign.

By His Majesty's Command,

H. H. ASQUITH.

Anyone who, having rendered services for which the Royal Red Cross, First Class, is awarded, subsequently renders such approved services as would, if she had not received the said Decoration, have entitled her to the same, shall be awarded a Bar to be attached to the said Decoration. — (*Order in Council of 15th December*, 1917.)

MEDALS, ANNUITIES, AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of the Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity not exceeding £20 in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of those recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1856, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 29th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman or Marine, who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

By Order in Council of 27th June, 1916, annuities awarded with the Naval Conspicuous Gallantry Medal may be retained by Seamen and Royal Marines who are promoted to permanent or temporary Commissioned Rank (other than that of Quartermaster in the Royal Marines).

Petty Officers, Non-Commissioned Officers, and Men who, having been awarded the Conspicuous Gallantry Medal, again perform such service as would entitle them to the award of the same Medal, had they not already received it, may be granted the addition of a bar to the Medal previously conferred. —(*Order in Council of 27th June*, 1916.)

DISTINGUISHED SERVICE MEDAL.

At the Court at Buckingham Palace,
The 14th day of October, 1914.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of October, 1914, in the words following, viz.:

"WHEREAS Her late Majesty Queen Victoria was graciously pleased, by Her Order in Council dated the 7th July, 1874, to establish a Silver Medal, known as the Conspicuous Gallantry Medal, for such Chief Petty Officers, Petty Officers and Men of the Royal Navy, and Non-Commissioned Officers and Men of the Royal Marines, as might at any time distinguish themselves by acts of pre-eminent bravery in action with the enemy:

"And whereas we are of opinion that it would be desirable to establish a Medal which could be awarded in the numerous instances of courageous service in war by Chief Petty Officers, Petty Officers and Men of Your Majesty's Navy, and by Non-Commissioned Officers and Men of Your Majesty's Corps of Royal Marines, and all other persons holding corresponding positions in Your Majesty's Service afloat, in cases where the award of the Conspicuous Gallantry Medal would be inappropriate:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to establish a medal, to be called the Distinguished Service Medal, for such of the above classes of Your Majesty's Navy as may at any time show themselves to the fore in action, and set an example of bravery and resource under fire but without performing acts of such pre-eminent bravery as would render them eligible for the Conspicuous Gallantry Medal."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ALMERIC FITZROY.

Petty Officers, Non-Commissioned Officers, and Men who, having been awarded the Distinguished Service Medal, again perform such service as would entitle them to the award of the same Medal, had they not already received it, may be granted the addition of a bar to the Medal previously conferred. —(*Order in Council of 27th June*, 1916.)

MILITARY CROSS AND DISTINGUISHED CONDUCT MEDAL.

By Order in Council of 28th June, 1917, it is provided that:—

Warrant Officers, Non-Commissioned Officers, and Men of the Royal Marines who receive the Military Cross, or the Medal for Distinguished Conduct in the Field, while serving with the Army may be granted, at the discretion of the Admiralty, an additional pension of 6d. a day if discharged to pension, or a gratuity of £20 if discharged without pension, transferred to the Reserve, or promoted to a Commission, provided—

(1) That an additional pension under this Regulation shall in no case be paid to a Warrant Officer, Non-Commissioned Officer, or Man to whom the Conspicuous Gallantry Medal may have been, or may hereafter be, awarded, concurrently with an annuity in respect of the latter distinction.

(2) That the receipt of an annuity or an additional pension or a gratuity in respect of one of these medals shall not disqualify a holder of both medals from receiving a gratuity in respect of the other.

Whereas Her late Majesty, Our Beloved Grandmother, Queen Victoria, by a Warrant dated the 6th day of September, 1886, did institute and create a new Naval and Military Order of Distinction designated the Distinguished Service Order, for the purpose of rewarding individual instances of meritorious or distinguished service in war;

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly. We reserve to Ourself, Our Heirs, and Successors, full power of annulling, altering, adding to, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the time

DISTINGUISHED SERVICE CROSS.

At the Court of St. James's,

The 14th day of June, 1911.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of June, 1911, in the words following, viz.:—

"Whereas we are of opinion that there should exist some means of recognising Distinguished Service before the Enemy on the part of Warrant Officers or Subordinate Officers of Your Majesty's Fleet, who by reason of not holding a Commission in the Royal Navy, are not eligible for appointment to any existing Order or Decoration:

"We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to institute a Decoration to be designated the Conspicuous Service Cross, and to consist of a Silver Cross, with the reverse side plain, but having on the obverse side in the centre Your Majesty's Imperial and Royal Cypher, E.R.I., surmounted by the Imperial Crown.

"We would beg leave to recommend to Your Majesty that this Decoration be awarded for meritorious or distinguished services before the Enemy performed by Warrant Officers, or Acting Warrant Officers, or by subordinate Officers of Your Majesty's Fleet; and that no person shall be nominated thereto unless his services shall have been marked by the especial mention of his name in despatches by the Admiral or Senior Naval or Military Officer Commanding the Squadron or detached Force.

"The award of this Decoration to carry with it the right to have the letters C.S.C., appended to the Officer's name.

"We would submit further that the names of those upon whom Your Majesty may be pleased to confer this Decoration shall be published in the London Gazette, and a registry thereof kept in the Office of the Lords Commissioners of the Admiralty."

At the Court at Buckingham Palace,

The 14th day of October, 1914.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of October, 1914, in the words following, viz.:—

"Whereas his late Majesty King Edward VII. was graciously pleased, by his Order in Council dated the 19th June, 1911, to institute a Decoration designated the Conspicuous Service Cross, to be awarded for meritorious or distinguished services before the enemy performed by Warrant Officers, or Acting Warrant Officers, or by Subordinate Officers of His Majesty's Fleet; the award of this Decoration to carry with it the right to have the letters C.S.C. appended to the Officer's name

"And whereas we are of the opinion that it would be desirable to enable the said Cross to be granted also to Commissioned Officers of Your Majesty's Navy below the rank of Lieutenant-Commander, for meritorious or distinguished services in cases where those services may not be considered sufficient to warrant the appointment of such Officers to the Distinguished Service Order, and also that the designation of the Decoration should be modified:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the award of the said Cross to Commissioned Officers below the rank of Lieutenant-Commander in addition to those Officers who are already eligible under the Order in Council above recited.

"We beg leave to recommend that the said Cross may be designated henceforward, in these and all other cases, as the Distinguished Service Cross, instead of the Conspicuous Service Cross, and that the award of this Decoration may carry with it the right to have the letters D.S.C. appended to the Officer's name.

"We further beg leave to recommend that the Cross should bear on the obverse Your Majesty's initials in lieu of those of His late Majesty King Edward VII."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ALMERIC FITZROY.

By Order in Council of the 2nd March, 1915, it is provided that Foreign Officers of an equivalent rank to those mentioned above who have been associated in Naval or Military operations with H.M. Naval Forces may be eligible for the honorary award of the Distinguished Service Cross.

By Order in Council of the 7th September, 1916, it is provided that Officers of the Royal Indian Marine shall be equally eligible with Officers of His Majesty's Navy to receive this Decoration:

Also that, in the event of any Officer, who has already received the Distinguished Service Cross, again performing services before the enemy which would have entitled him to the Cross if he had not already received it, such further services shall be recorded by a Bar attached to the Riband by which the Cross is suspended and that for every further occasion of such services an additional Bar shall be added.

THE ALBERT MEDAL.

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come, Greeting!

WHEREAS Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under the Royal Sign Manual bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, for Herself, Her Heirs and Successors institute and create as a mark of Royal Approbation of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

And whereas the said Warrants were subsequently amended and all the Warrants relating to these Decorations were consolidated by a Warrant under the Sign Manual bearing date the 5th June, 1905:

And whereas it is Our Pleasure to amend the style of the said Decorations:

We are graciously pleased to make, ordain and establish the following Rules and Ordinances for the government of the Decorations:—

I. It is ordained that the Decoration in each case shall be styled "The Albert Medal"; but when it is awarded for acts of such extreme and heroic daring as to merit a special degree of recognition, it shall be styled "The Albert Medal in Gold."

II. It is ordained that The Albert Medal shall consist of a bronze oval-shaped Badge or Decoration, having in the centre a Monogram composed of the letters V. and A. erect upon an enamelled background, surrounded by a Garter inscribed in raised letters "For Gallantry in Saving Life at Sea," or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort; but when the Medal conferred is "The Albert Medal in Gold," it shall consist of a gold oval-shaped Badge or Decoration having in the centre a Monogram composed of the letters V. and A. erect in gold upon an enamelled background, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation in gold of the Crown of His Royal Highness the lamented Prince Consort. When the Medal is given for gallantry in saving life at sea, the letters V. and A. shall be interlaced with an anchor erect in bronze or gold, as the case may be.

The Medal shall be suspended from a riband of an inch and three-eighths in width, having two white longitudinal stripes; in the case of the "Albert Medal in Gold" the riband shall have four white longitudinal stripes.

The colour of the enamel and riband shall be dark blue when the Medal is conferred for gallantry in saving life at sea, and crimson when it is conferred for gallantry in saving life on land.

III. It is ordained that the Medal shall only be awarded to those of Our faithful subjects who, in saving or endeavouring to save the lives of others from perils of the sea, or from perils on land, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that where the Medal is conferred for gallantry in saving life at sea, the preliminary steps and inquiry shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

IV. It is ordained that the names of those persons upon whom We may be pleased to confer the Medal shall be published in the "London Gazette." Where the Medal is conferred for gallantry in saving life on land a Register of such names shall be kept in the Office of Our Principal Secretary of State for the Home Department. Where the Medal is conferred for gallantry in saving life at sea a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty, and a Register of the names of such of these persons as do not belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Board of Trade.

V. It is ordained that the Medal shall be worn suspended from the left breast.

VI. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

VII. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom any of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

VIII. The warrant of the 5th June, 1905, is hereby revoked.

Given at Our Court at *Saint James's*, this Twenty-eighth day of *August*, One thousand nine hundred and seventeen, in the Eighth year of Our Reign.

By His Majesty's Command,

Geo. Cave.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1883, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad", or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity:—

(a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.

(b.) He must have been awarded the Medal and have never forfeited it.

(c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(d.) He must have been continuously awarded the character "Very Good" since he received the Medal.

(e.) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers (OS) or Petty Officers (NS) for not less than 10 years	20

Digitized by Google

	£
Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years	15
Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years* subsequent service in that capacity ..	10
Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clause 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(*a.*) He must have served for 15 years with continuous "Very Good" character," and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(*b.*) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(*c.*) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 828 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (*a*).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

	£	s.	d.
To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	2	0	0
,, 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	1	0	0
,, Leading Seaman, except as above ..	0	10	0

until the maximum is reached, which will be, for a—

	£	s.	d.
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	15	0	0
2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	10	0	0
Leading Seaman, except as above ..	7	10	0
Able Seaman	5	0	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.* will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man who's Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.2536).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1931, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 228, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers, at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1854, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under the age of 18 on 31st December 1854.

2. To entitle a Marine to a Medal:—

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 839.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be ill-qualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of £ a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid £ for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I. ..	2	0	0
Sergeant in Classes II., III., and IV. ..	1	0	0
Corporal and Bombardier	0	10	0

until the maximum is reached, which will be, for a—

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5l., will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. **159.**

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. Officers promoted on, or subsequently to retirement, will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Retired List does not count for increases of full pay governed by seniority.

2. Officers on the Retired, Pension, or Reserve Lists of the Navy, when called out for service in time of war or emergency will receive a bonus of twenty-five per cent. for every pound of the full pay of their rank earned by them, exclusive of allowances. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

6. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank. In the cases of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity. OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion* when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (*e.g.*, during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment whichmay take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

* Except in the case of Sub-Lieutenants who are eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority under existing Regulations, to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out" including previous service as Sub-Lieutenant.

REGULATIONS AFFECTING OFFICERS ON THE SUPPLEMENTARY LIST ENTERED UNDER ORDERS IN COUNCIL OF 29TH JUNE, 1895, AND 9TH AUGUST, 1898.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count the service which they were entitled to count when on the Supplementary List.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, *see* p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

PRIZE MONEY.

GEORGE, R.I.

Whereas Her Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th September, 1900, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, &c.:

And whereas by an Order in Council, dated the 28th August, 1914, We were pleased to cancel the system of distribution described in the above-mentioned Proclamation as regards Prizes captured from the enemy, and to declare that in lieu thereof it was intended to substitute a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Our Naval Forces:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives.

Given at Our Court at Buckingham Palace, this Fifteenth day of August, in the year of our Lord One thousand nine hundred and eighteen, and in the Ninth year of Our Reign.

GOD SAVE THE KING.

PRIZE BOUNTY.

At the Court at Buckingham Palace.

The 27th day of April, 1918.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of His Majesty's Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas His Majesty was pleased, by an Order in Council dated the 24th October, 1916, to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances, and all other moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth in the said Order:

And whereas it is considered expedient to amend the Scale of Distribution contained in the said Order in Council of 24th October, 1916, so as to provide for a fixed number of Shares to be allotted to Flag Officers and Commanding Officers in lieu of the proportions set forth in the said Order in Council of 24th October, 1916, and to make other adjustments:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to cancel the above-mentioned Order in Council of the 24th October, 1916, and to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, and also when not otherwise specially apportioned by the Terms of respective Awards and Allowances, of the Awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, and all other Moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth below,

(2.) In time of War, to arrange for accommodation of sick and wounded Convalescent Soldiers and Sailors in Temporary Convalescent Homes and Private Houses.

(3.) To establish and maintain Convalescent Homes and Homes of Rest for discharged Soldiers and Sailors who are disabled and necessitous, and to contribute to the support of such cases in their own homes, if considered necessary.

(4.) To teach useful Trades to men discharged as medically unfit, who, by reason of their disability consequent on their service, are unable to take ordinary employment, and to make such cases, as far as possible, self-supporting by disposing of the work they turn out.

Employment was found during 1903-16 for 57,554 discharged Soldiers or Sailors, while 196,585 were assisted with money or clothing. 13,650 sick and wounded convalescents have been received into the temporary Convalescent Homes at disposal of the Society. 867 men disabled on Active Service have been admitted to 30 June, 1917, to The Lord Roberts Memorial Workshops in London and Provincial Branches since the beginning of the European War.

Since 1903 the Society has dealt with 23,993 cases of assistance to Seamen of the Royal Navy and men of the Royal Marines, of which number 11,410 have been helped during the great War.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 130 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 23 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service. A few girls will join the Secondary School for further teaching.

There are 44 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund has been settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

It is estimated that the Fund will produce an annual free income of about £1,000.

The Trustees are Sir JOHN STRUTHERS, K.C.B., Scotch Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Mr. E. H. F. BRADBY, Solicitor, London, and Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from the cessation of hostilities in the present War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and it is not their present intention to lay down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases from officers commanding military units, and from others interested.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh.

May, 1918.
